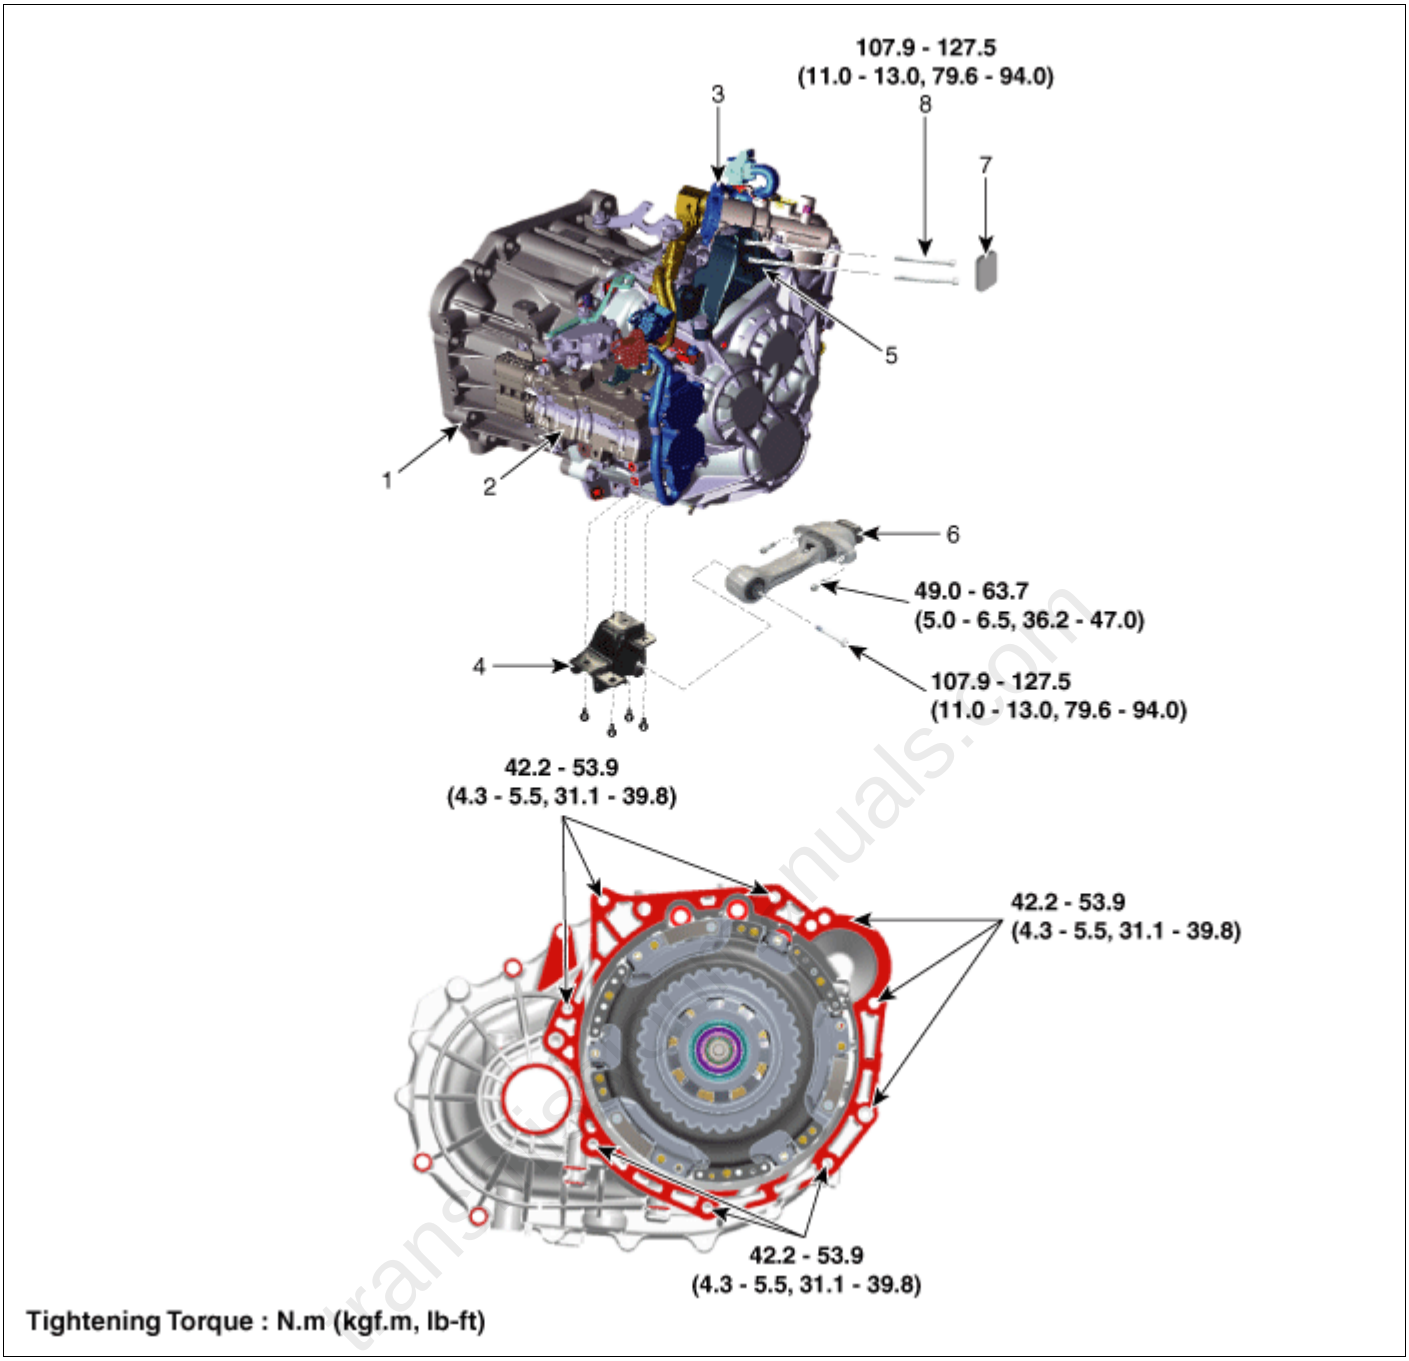
Hyundai Kona: Dual Clutch Transmission Assembly / DCT (Dual Clutch Transmission) Components and components location

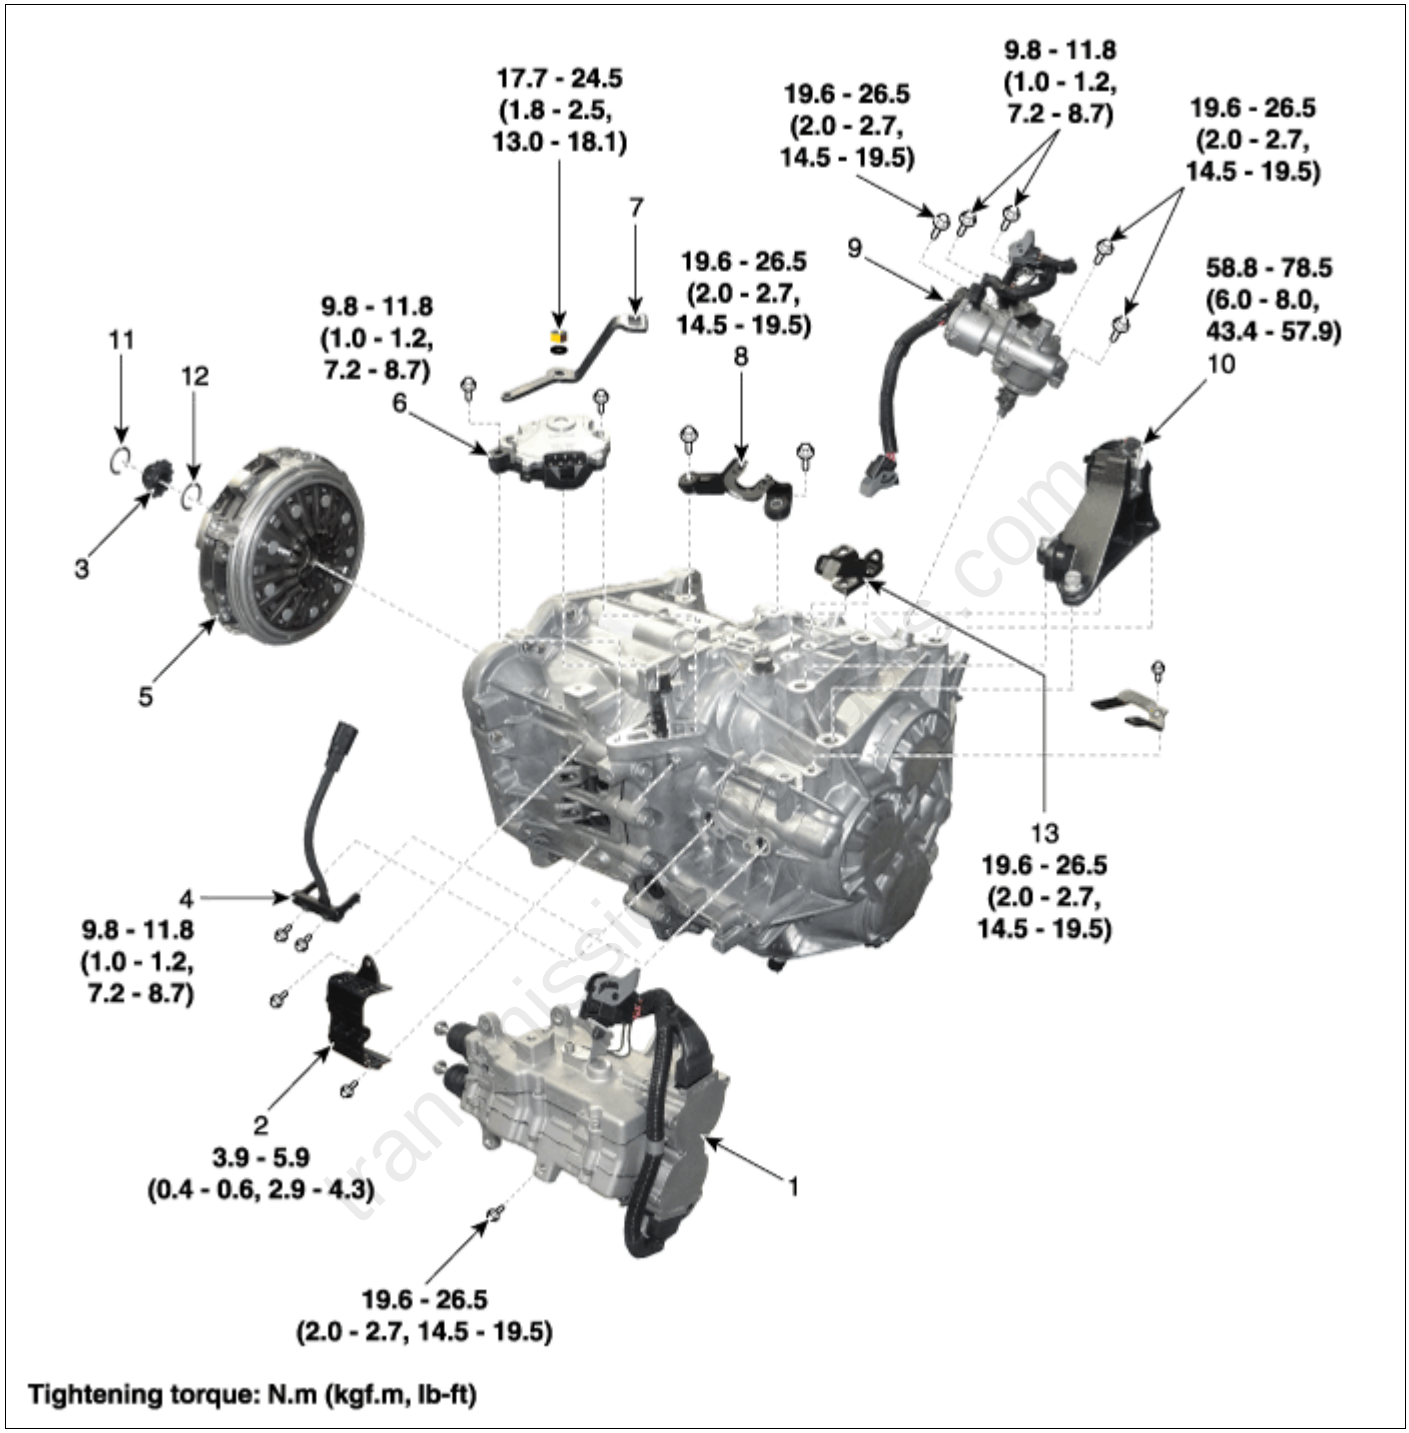
transmissionmanuals.com

Components (1)



1. Dual clutch transmission assembly
2. Clutch actuator
3. Gear actuator
4. Roll rod support bracket
5. DCT(Dual Clutch Transmission) support bracket
6. Roll rod bracket
7. Dust cover
8. Support bracket mounting bolt

Components (2)



1. Clutch actuator
2. Fork cover
3. Spline hub
4. Input shaft speed sensor 1, 2
5. Dual clutch assembly
6. Inhibitor switch
7. Manual lever
8. Control cable bracket
9. Gear actuator
10. Dual clutch transmission support bracket
11. Retainning ring
12. Snap ring
