Output Shaft Assembly

Callout

Component Name

- | | |
|---|--|
| 1 | Output Carrier Internal Rear Gear
Caution: Install the gear chamfer side down. Failure to install the gear chamfer side down may result in transmission damage. |
| 2 | Output Gear Internal Gear Spacer |
| 3 | Output Carrier Internal Gear Retaining Ring
Tip: Do not install the output carrier internal front gear and retaining ring yet. These components will be installed during assembly of the output carrier to the output shaft. |
