Title: AE80F AUTOMATIC TRANSMISSION / TRANSAXLE: SHIFT PADDLE SWITCH: INSTALLATION; 2016 - 2018 MY LX570 [09/2015 -]		

INSTALLATION

PROCEDURE

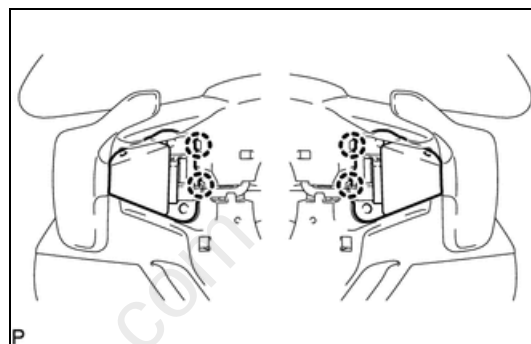

1. INSTALL TRANSMISSION SHIFT SWITCH ASSEMBLY

- (a) Connect the 2 transmission shift switch assembly connectors to install the No. 1 switch wire to the 2 transmission shift switch assemblies.

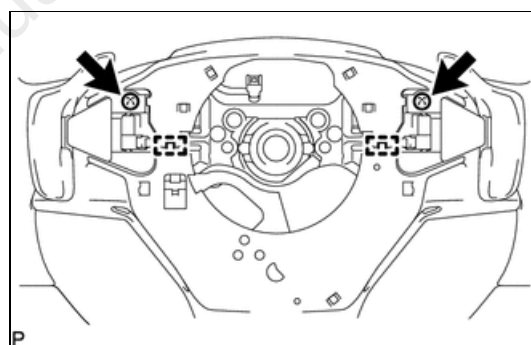

HINT:

Make sure that the colors of the transmission shift switch assembly connector and transmission shift switch assembly match.

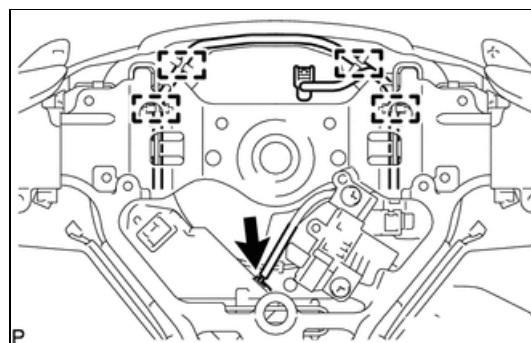

- (b) Attach the 4 claws and install the 2 transmission shift switch assemblies with No. 1 switch wire from the steering wheel assembly.

- (c) Connect the 2 guides and install the 2 new screws.

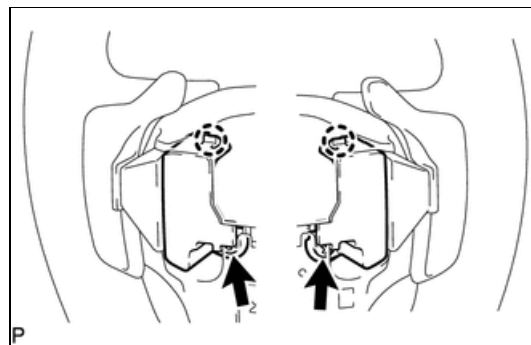

- (d) Connect the 4 clamps and connector.

2. INSTALL NO. 1 STEERING WHEEL BOSS COVER LOWER

(a) Attach the 2 claws and install the 2 No. 1 steering wheel boss cover lower.

(b) Install the 2 new screws.

3. INSTALL STEERING PAD SWITCH ASSEMBLY

(See page [INFO](#))

4. INSTALL STEERING WHEEL ASSEMBLY

(See page [INFO](#))
